## SUMMARY

- **Web Development:** Strong background in building dynamic, user-friendly web interfaces using ReactJS, JavaScript, TypeScript and Tailwind CSS.
- **Proven Internship Experience:** Completed an impactful internship at Sastra Network Solutions Inc., contributing to the development of comprehensive Content Management Systems (CMS) and collaborating effectively with cross-functional teams.
- **Educational Foundation:** Undergraduate in Computer Science and Information Technology (CSIT) with a solid understanding of programming fundamentals and software development principles.

## PROJECTS

### CMS Website

- During intership, developed a CMS website with an intuitive admin dashboard, allowing easy content management.
- Built from scratch using React.js, Material-UI, and Tailwind CSS, facilitating seamless collaboration with backend developers for enhanced functionality.

### Currency Converter

🌐 <https://github.com/SwornimShrestha/CurrencyConvertor>

- Implemented real-time exchange rate fetching using an external API for accurate currency conversions.
- Added swap functionality to quickly interchange source and target currencies ,Supported multiple global currencies to cater to a diverse user base.

### Ecommerce Application

🌐 <https://github.com/SwornimShrestha/EcommerceProject>

- Developed an ecommerce platform where customers can browse and purchase products.
- Integrated API to fetch product data and implemented local storage to manage cart functionality.
- Designed a responsive and intuitive user interface to enhance user engagement

### Context Todo Application

🌐 <https://github.com/SwornimShrestha/ToDoApp>

- Built a Todo application using React's context API for state management.
- Ensured a user-friendly interface and smooth user experience.

## EXPERIENCE

### ReactJS Developer (Internship)

#### Sastra Network

📅 04/2024 - 06/2024 📍 Putalisadak

- Developed dynamic front-end layouts using React.js.
- Collaborated with back-end developers to integrate APIs and ensure seamless functionality.
- Utilized Tailwind CSS and Material-UI for designing responsive and visually appealing user interfaces.

### Technical Support Assistant

#### Vianet Communications

📅 01/2022 - 12/2022 📍 Jawalekhel

- Assisted clients in resolving technical issues related to internet connectivity, software configurations, and network setups via phone calls

## EDUCATION

### Bsc.CSIT

#### Academia International College (T.U)

📅 2019 - 2024 📍 Gwarko

### +2 In Science

#### Golden Gate International College

📅 2017 - 2019 📍 Batisputali

## SEE

### Enshrine National English Sec School

📅 2017 📍 Lalitpur

## SKILLS

Technology:- HTML CSS

JavaScript TypeScript Node Js

ReactJs Tailwind Css

ReduxToolkit MySQL

Version Control:- Git GitHub

Soft Skill:- Problem-Solving
